

the  
WONDER  
TOGETHER  
JAR

Hi there,

**The Wonder Together Jar is a family activity where children and grown-ups play, create and wonder together.**

With more than 40 fun and innovative activities that take up to 15 minutes, The Wonder Together Jar might just do the trick if you are looking for some sparks of inspiration, connection and quality time together.

Feel free to add your own Wonder Together activities to your jar, too. That will make it even more marvellous!

We hope you have loads of fun with this.

To creativity and beyond!

# How to create your Wonder Together Jar

It's all pretty simple:

**Cut out the activities, fold them and put them inside a jar or a box.**

**Decorate your Wonder Together Jar.** Glue your The Wonder Together Jar sticker on your jar (you can print it on adhesive paper or stick it with glue) and add some ribbons and colourful beads if you fancy it.

**Add your own activities.** You can make a list of all the things you love to do together as a family and add them to your Wonder Together Jar. You can also just add them slowly, as you remember them.

**And that's it! Your tool for unlimited creativity at home is ready to use.** Whenever you need a bit of extra-inspiration or boredom is creeping in, ask your child to pick one piece of paper and ignite play and creativity once again.

The image features a central text graphic on a light yellow background. The text is written in a dark blue, hand-drawn, brush-stroke style. The words are stacked vertically: 'the' in a smaller font, 'WONDER' in a larger, all-caps font, 'together' in a medium font, and 'JAR' in a large, all-caps font. The text is surrounded by four large, hand-drawn brushstrokes in red and orange, positioned at the corners of the central text area. The overall aesthetic is creative and artistic.
